# Black Friday Reverse Auction at DWR

DWR Distribution looks forward to an exciting time as we host a Reverse Auction for Black Friday on 27 November from 9am. All specials will be shared on Facebook – visit the DWR Distribution **Group** (not the official DWR Distribution Page).

Products will be advertised on the DWR Facebook Group with prices never to be seen again! If products are not sold within the hour, the products will be offered at a further reduced price.

The DWR sales team will be on hand to orchestrate the sales on a strictly “First Come, First Served” basis. Keep your eyes glued!!
