Join Dylan Jones from DWR Distribution as he presents Magnimage EC90 Training on 14 March from 9 am to 12 pm at our Johannesburg office.

Aimed at AV technicians, this course is awesome for understanding the EC90, a video switcher that includes 4K input and output, multi-layer management, and seamless switching control.

The training session will cover the following, and more, subjects:

- Basic Functions of the EC90 for video and audio
- Multi-layers and switching
- Layer Effects include layer scenes and customising borders.
- Multiple Preview layouts
- SDI input
- Virtual output
- Control Methods
- Setting Parameters
- Master Screen Navigation

The cost is R250 per person and includes a light lunch and refreshments. *Terms and conditions: While refunds are not available for cancellations, participants may transfer their registration to another individual.*

The training will be held at DWR Distribution, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.
