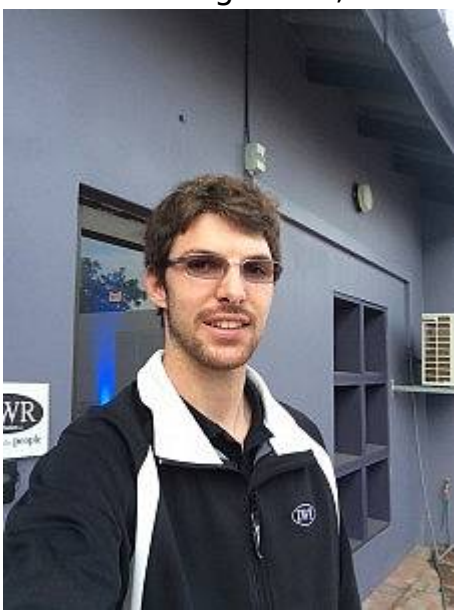
New address for DWR Durban

Posted on August 18, 2014



Nick Barnes at DWR, Durban

The Durban office of DWR Distribution has relocated to Springfield Park.

Besides the welcome parking bays for clients – it really was a tight fit at the previous address – Nick Barnes from DWR Durban is pleased to have the additional office space and a facility for future training.

“The reason for the move has been the growth of the company in Durban,” said Nick. “We also wanted a place where we could train and do business, from the same premises. The location is central and close to the highway.”

DWR Distribution Durban can be found at Suite 2, 6 Cassiafield Grove, Springfield Park, Durban.
