A warm welcome extends to Gareth Chambers (33) who joins DWR Distribution to assist with technical support.

Gareth worked at AV Tech for nine years where he was in charge of the Lighting Department and Managed the crew. In October last year he started freelancing and DWR were delighted when he agreed to join our team.

"I enjoyed the lighting aspect of a show, the creativity involved," said Gareth. "But I'm looking forward to being in an environment that's a bit more structured." Of course he means having a few extra weekends to himself where he can do a bit of mountain biking!

We hope that Gareth will be happy with us.

On a sad note, DWR Distribution bids farewell to JC Du Plessis who has joined Multi-Media. All the best JC and thank you for your time with us. It was lovely having you here - we look forward to you stopping by to visit us.
