IT'S ALL ABOUT THE PEOPLE

A Studio Lighting Workshop, presented by Jannie de Jager will be hosted on 9 April 2020 at DWR Distribution, Johannesburg.

Delegates will discover what it takes to work in a controlled environment as Jannie discusses the fundamentals of lighting, tools and techniques, understanding hard and soft light, common lighting fixtures and the practical side such as lighting faces, creating plots and of course the planning process.

The training will be hosted at DWR Distribution, C1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.

The course will be hosted free of charge. Kindly supply your own packed lunch.
