BOOKINGS ONLINE

RCF RDNet Operator Training, Johannesburg

Jaco Beukes looks forward to presenting RCF RDNet Operator Training on **18 August from 9 am to 5pm** at DWR Distribution in Johannesburg. This course provides all the necessary knowledge to set up and configure an RDNet network.

From cabling topology and network component configuration to loudspeaker and software setup, you'll walk away with a new way of doing things.

Topics:

- Practical examples and case studies
- RDNet software in detail: windows, groups, and functions
- Subwoofer configuration with RDNet
- RDNet Easy Shape Design

Participant Requirements:

Laptops with latest RDNET installed is required.

The cost is R250 per person and includes a light lunch and refreshments. *Terms and conditions: While refunds are not available for cancellations, participants may transfer their registration to another individual.*

The training will be held at DWR Distribution, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.
