Unilumin UCE Training at DWR Distribution Durban

Join DWR Distribution's Dylan Jones for Unilumin UCE Training taking place on **15 - 16 September from 9am to 5pm at our Durban offices**. Kindly note this is a **2-day course**.

The Unilumin Certified Engineer (UCE) training covers LED screen basics, configuration, calibration, Novastar Software, and troubleshooting. Everyone is invited, from system integrators to rental and staging companies.

At the end of the training course, participants must pass an exam.

The cost is R500 per person and includes a light lunch and refreshments. *Terms and conditions: While refunds are not available for cancellations, participants may transfer their registration to another individual.*

Required Equipment:

Delegates are kindly requested to bring their own laptops to the course.

The training will be hosted at DWR Distribution Durban, Unit 7, Greystone Park, 135 Old North Coast Road, Glen Anil.
