

Visit DWR at The Lighting Show Africa 2015

The banner is divided into two main sections by a vertical line. The left section contains the event details: '18th annual THE LIGHTING SHOW AFRICA 2015' with a lightbulb icon for the word 'SHOW'. Below this, it states '24 - 25 March 2015 | Sandton Convention Centre, Johannesburg, South Africa'. It also lists 'Host Ministry: energy Department of Energy REPUBLIC OF SOUTH AFRICA' and 'Diamond Partner: Eskom'. The right section features the text 'Visit our stand at 05 on level 2' with '05' in orange. Below this is the DWR distribution logo and the website 'www.terrapinn.com/lightingafrica'.

DWR Distribution is looking forward to exhibiting at the Lighting Show Africa for the first time. The show will be hosted at the Sandton Convention Centre from 24 – 25 March 2015 from 10am to 5pm, and forms part of Power & Electricity World Africa 2015.

Property developers, architects, interior designers, large energy users and retailers are continuously looking to source cost effective and sustainable lighting solutions. Their most urgent need is to identify and evaluate the most efficient and appropriate lighting solutions to help them achieve their objectives.

DWR are proud to be the suppliers of Anolis, which forms part of Robe Lighting. This brand provides a range of reliable LED lighting fixtures aimed at applications in architectural, retail, transport, leisure and entertainment markets. Anolis has been used across the world as a power-saving LED solution, adding beauty to interior and exterior spaces with washes of light.

DWR also supply other LED product ranges and are able to provide a lighting solution for any installation, both large or small.

The Lighting Show Africa is a one of its kind exhibition dedicated towards the introduction and propagation of modern lighting equipment and technology. The demand for energy efficient as well as cost efficient lighting solutions is on a steady rise across the world. This two day exhibition is designed to cater to those demands.

The Lighting Show Africa is organized by Terrapinn. It has grown to become a great success and DWR look forward to meeting up with all visitors at Stand 05 on Level 2.

Should you require any additional information before then, contact Grant Joubert from DWR Distribution at 011 794 5023.
