

Anne du Preez
HOA & HR Manager

Anne Du Preez has been part of the DWR family since the very start. Initially she assisted as an outsourced bookkeeper until joining DWR on a full time basis in 2014.

Anne takes care of everything but her speciality includes heading the Accounts and HR Departments. She always lends a kind ear.

With a good sense of humour, Anne's interests include time with her family, camping, and travelling where she can. She enjoys a good book and makes a fantastic potjie!
