

## Beatrice Moyo Housekeeping

The ever smiling Beatrice Moyo is a housekeeper at DWR Distribution.

She initially started working on a part-time basis on the 1<sup>st</sup> September 2014 and as the company grew, Beatrice was officially employed on 1 November 2015.

While this humble lady is quiet, kind and very respectful of each person she works with, Beatrice loves a joke and you can often hear her laughing.

“In the future I would like to have increased my skill level and would like to see myself working in another position. I have found that I really enjoy working at DWR and I’m so happy to be at this amazing company” said Beatrice. “In ten years time I would like to see my kids having a good education, and myself having a car.”

In her spare time, she likes watching TV soapies and enjoys singing.
