Absen ACE Training for the Pro AV market!

Absen ACE Training for the Pro AV market!

The flyer features a dark blue background with an orange gradient at the top. At the top center is the Absen ACE logo, a circular emblem with 'Absen Certified Engineer' at the top, 'Absen ACE' in the center, and 'Honesty • Gratitude • Responsibility' at the bottom. Below the logo, the word 'INVITATION' is written in white, followed by 'Absen ACE Training 2025' in a larger white font. A location tag 'South Africa-ProAV' is positioned below the title. Four circular icons represent statistics: '30+ Countries', '300+ sessions', '1000+ Companies', and '5000+ ACEs'. The event details include the date '9am to 5pm, August 26- 27, 2025', the location 'DWR Distribution, Laser Park, Honeydew, JHB, South Africa', and a registration link 'https://survey.absen.cn/vm/Qwojfw.aspx'. A QR code is provided for registration, with a deadline of 'Tuesday, August 5th, 2025'. The 'Core Courses' section lists: 'Absen LED Product Overview and Setup', 'Hands-on Display Installation and Calibration', and 'Novastar Software Configuration and Troubleshooting'. Three photographs show 'Theoretical Study', 'Practical Study', and 'Graduation & Award Ceremony'. A text box describes the ACE Program as a customized industry training service for LED display engineers and technicians, with a 'Valued Partner Offer' of ZAR 500 for South African partners. The Absen logo and 'Trusted LED Supplier' tagline are at the bottom.

ACE Program (Absen Certified Engineer)

This is a customized industry training service for LED display engineers and technicians. Absen team will help you master LED display knowledge and skills through systematic theoretical study and practical operations. The ACE certificate will be awarded to those who pass the examination.

Valued Partner Offer: While the standard training fee is \$1,500 USD, this session is available to our South African partners at an exclusive rate of **ZAR 500** – a special token of appreciation for your continued support and trust.

Absen
Trusted LED Supplier

Absen ACE Training for the Pro AV market!

We are excited to invite the ProAV market to attend **Absen ACE Training**, taking place on **26 and 27 August** from **9am to 5pm** at our offices.

We are able to accommodate up to **40 delegates per class**. **This course is specifically designed for System Integrators and professionals in the Pro AV market. Please note that a separate session will be held for those in the rental and staging industry.**

How to book your spot:

1. **Either Scan the QR Code or Register here:**
<https://survey.absen.cn/vm/t8oQpUC.aspx>
2. **Upload proof of payment (R500 per person):**
<https://forms.gle/oKycAaaLR8YJWZvW6>

Due to the popularity of the course, bookings will be handled on a first-come, first-served basis.

For any questions or assistance, please contact Amanda at amanda@staging.dwrdistribution.co.za.
