Absen NT2.6 V2 has landed — and more is on the way!

DWR Distribution is pleased to announce that the new-generation Absen NT2.6 V2 Indoor LED panels have arrived in South Africa at DWR Distribution, with additional stock on the way.

Delivering higher-resolution NT2.6 V2 visuals, a lightweight design, and robust IMD 2-in-1 technology, NT2.6 V2 is purpose-built to handle the tough demands of the rental and touring market.

Secure your stock before it hits our warehouse floor.

For more information, contact DWR Distribution on 011 794 5023 or sales@staging.dwrdistribution.co.za
