

Astera & LumenRadio Open Day in Cape Town and Johannesburg

The poster features a background image of a professional lighting fixture (Asteras) and a wireless control device (LumenRadio). The text is overlaid on the image. At the top, 'Open Day' is written in a large, white, cursive font. Below it, the LumenRadio logo (a green hexagon with a white dot) and the Astera logo (a purple triangle) are displayed. The event dates are listed in orange text: 'CAPE TOWN 28 & 29 AUG' and 'JOHANNESBURG 5 SEP'. A purple banner contains the name 'JOIN MARLENE RILEY' and two addresses for DWR Distribution. At the bottom, a white box contains the text 'Discover the latest from Astera, ideal products for the film industry. The LumenRadio range will demonstrate wireless without worries!' and the DWR Distribution logo.

DWR
distribution

You are invited to join Marlene Riley from DWR Distribution for an Astera and LumenRadio Open Day, an ideal opportunity for the film, photography, event and theatre markets! Visitors in Cape Town can visit the DWR office on either on 28 or 29 August, any time between 10 am to 4 pm. In Johannesburg, the Open Day will be held at DWR on 5 September from 10 am to 4 pm.

Astera

The Astera segment will include a debut of the new PlutoFresnel and LeoFresnel fixtures and the DoPchoice range of products and basic user training.

Topics covered will include:

- Quick Start: From Zero to Set Up
- Getting started with Astera App
- Quick Start: CRMX and DMX Configuration
- Bluetooth Bridge
- Product Walkthroughs
- DoPchoice overview

LumenRadio

Swap time-consuming, costly cabling for the convenience and energy-efficiency of full wireless control with

LumenRadio! Marlene will introduce LumenRadio's Stardust, MoonLite, Aurora, Luna and Galileo. The products offer frequency-friendly wireless technology for rock-solid performance.

Marlene and the DWR team can't wait to see you there!

Although entry is free of charge booking is required to assist us with catering.
