the next level.

In Johannesburg, the course will be hosted by Fanie Pieterse on 11thOctober. Jaco Beukes of DWR will present the course in Durban on 15thOctober and in Cape Town on 17thOctober. We really hope to see you there!

Fanie Pieterse is an exceptional Audio Engineer while Jaco Beukes is also an experienced audio engineer responsible for audio sales at DWR. The workshop will provide delegates with a deeper understanding of the various Audix microphones available with practical examples of how to correctly position them to get the best sound.

The hands-on session will cover topics such as types of microphones, microphone placement and mixing tricks and tips.

The course will be held at the DWR offices and includes lunch and refreshments.
