

Avolites Basic to Advanced Training

Posted on February 4, 2015

The DWR Training team, Amanda Bell, Nick Britz and Gareth Chambers.

DWR Distribution will be hosting an Avolites Training Session, Basic to Advanced, presented by Gareth Chambers from 25 to 27 February 2015.

“This is always a popular course as there are so many Avolites consoles in South Africa,” said Chambers. “From Titan One all the way to Tiger Touch, it’s the same software platform. Once users get the basics and see what other capabilities their console has, it opens up far more creative channels.”

Delegates are to provide laptops with the latest version of the Titan software and another machine / laptop to run the visualiser.

This three day course, hosted at DWR Distribution Johannesburg, includes lunch and refreshments. The cost is R2 250.00 incl. VAT per delegate.

For more information, e-mail rsvp@staging.dwrdistribution.co.za or call Amanda at 011 794 5023.
