Avolites Webinar Training every Thursday all welcome

Posted on June 17, 2014

Avolites and Avolites Media offer regular training sessions online via Go-to-Meeting, every Thursday, completely FREE!

The interactive webinars will cover a different topic each week, addressing the latest features of both Titan and Ai software in an easy to follow step-by-step demo.

Go-To-Meeting also provides you a tool to view our simulator, allowing you to view every button press on your own screen, and also gives you the chance to ask questions, for a totally interactive experience.

The Titan sessions take place at 10:00am and 3:00pm (UK) and the Ai sessions take place at 11:30am and 2:00pm (UK).
