PRESENTED BY DYLAN JONES

29 SEPTEMBER | 9AM-5PM | JHB | REGISTER NOW!

Basic AV Fundamentals Training at DWR Distribution

Join DWR Distribution for a comprehensive, full-day **Basic AV Fundamentals Training** session designed to build core technical knowledge and practical skills for live event and installation environments.

Course Details

- **Date:** 29 September
- **Time:** 09:00 – 17:00
- **Location:** DWR Distribution, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew, Johannesburg
- **Presenter:** Dylan Jones

What You Will Learn

- **Signal Flow & Connectivity:** Understanding HDMI, SDI, DisplayPort, optical fibre, and audio/video signal standards.
- **Display Technologies:** Fundamentals of direct-view LED screens, projection basics, aspect ratios, and resolutions.
- **Video Processing & Switching:** Introduction to scaling, EDID management, layering, and multi-format switching workflows.
- **Network Foundations:** AV-over-IP fundamentals, network configurations, and basic routing.
- **Hands-on Troubleshooting:** Practical tips for diagnosing signal dropouts, sync issues, and cabling faults on site.

Who Should Attend

- Junior AV technicians, staging crew, venue operators, and system integrators looking to consolidate their foundational AV knowledge.
