Posted on April 16, 2024

A two-day Basic Rigging training course presented by Robert Izzett will be held from 6 to 7 May at DWR Distribution, Cape Town. We'd love to see you there.

With an emphasis on safety, the course aims to equip delegates with the rigging laws applied in South Africa according to SANS 10366. Robert will provide practical insight from calculations to the correct use of rigging, hardware, shackles, steel wire ropes, trussing, endless rounds and chains.

The cost is R500 per person and includes a light lunch and refreshments. *Please note that refunds are not available for courses. If your course registration is cancelled, at least 72 hours in advance, you'll receive a credit for the paid fees, usable for re-registration or rescheduling within one year from the initial course cancellation date. Not showing up without notice does not qualify for the rescheduling credit.*

The training will be held at Unit 37B Platinum Junction, 4 School Street, Marconi Beam, Cape Town 7441
