When it comes to rigging and building stages, safety should be your priority. You are invited to join Robert Izzett as he presents a two-day Basic Rigging training course held on 19 and 20 May 2022 at DWR Distribution.

The course aims to equip delegates with the rigging laws applied in South Africa according to SANS 10366. Robert will provide practical insight from calculations to the correct use of rigging, hardware, shackles, steel wire ropes, trussing, endless rounds and chains.

The cost is R400 per person and includes lunch and refreshments.
