IT'S ALL ABOUT THE PEOPLE

Cape Town, we are certain that you will be interested in this. Audio engineers and technicians are invited to join Kyle Robson as he presents training on the DiGiCo platform on 28 April from 9am to 5pm at DWR Distribution, Cape Town.

Delegates will be given a full demonstration of the DiGiCo S and SD Series digital mixing consoles as well as theoretical and hands-on training. DiGiCo is a user-friendly platform, and Kyle has useful tips and tricks to share.

Those participating are requested to bring along their laptop or PC with an Offline Editor pre-installed. Please also provide a copy of your ID.

The training will be hosted at DWR, Unit 74D, Platinum Junction Business Park, Marconi Beam, Milnerton, Cape Town.

The cost is R700 and includes a light lunch and refreshments. Please indicate if you have any dietary requirements. Bookings will be confirmed once payment has been received. Regrettably, no refunds though you are welcome to send someone else in your place.

We hope to see you there!
