For those living in Cape Town, please join Jaques Pretorius from DWR Distribution as he presents an intensive two day introductory grandMA3 introductory workshop, which includes the granMA3 new software release v1.7, from 27 - 28 June from 9 am to 4 pm. The workshop will be held at the Cape Audio College in Observatory, Cape Town.

Founded on the legacy of the previous grandMA consoles, the grandMA3 represents a radical re-think of what's possible from a lighting control platform. The new grandMA3 system-architecture incorporates new fixture, feature and effects-handling at its very heart. The system features ground-breaking concepts from top industry visionaries, presented within a refined user interface, and is designed to make practical tasks more intuitive.

With a focus on grandMA's new software release v1.7, the following topics will be discussed:

- New Show and Set up
- First Patch
- First View Set up
- Control Simple Fixtures
- 3D Fixture Set up
- Groups, Appearances and Scribbles
- Macros
- Store Cues and Use Executors
- Add Moving Lights
- Presets
- Phasers
- Sequence with Multiple Cues
- Network and How to Output DMX

Delegates are required to bring a laptop to the training course. Please download the MA3 on-PC software available for MAC or Windows for the session:
