

ChainMaster School of Motors Training – Johannesburg & Cape Town

Posted on June 19, 2026

CHAINMASTER School of Motors

Johannesburg & Cape Town

Presented by John van Look

You're invited to gain both theoretical and practical training to sharpen your expertise and confidently maintain and service CHAINMASTER electric chain hoists.

Topics include: 3 phase induction motors | Ratings and mechanical classifications of hoists | Inspection and maintenance | Load testing | Safe working period calculations and more.

6 - 7 July | DWR Distribution, Johannesburg

9 - 10 July | DWR Distribution, Cape Town

Cost: R500 | Bookings online

ChainMaster School of Motors Training – Johannesburg & Cape Town

Gain both theoretical and practical training to enhance your expertise and build the skills needed to confidently maintain and service Chainmaster electric chain hoists. Join Chainmaster's John van Look for a training session focusing on safety, repair, and maintenance, taking place at the DWR Distribution offices in Johannesburg on 6 – 7 July, and in Cape Town on 9 – 10 July from 9am to 5pm.

Main Topics:

- 3 phase induction motors
- Safe and proper use
- Standards and regulations
- Ratings and mechanical classifications of hoists
- Hoist key features
- Inspection and Maintenance – your responsibilities
- Inspection and Maintenance process
- Load testing
- Safe working period calculations

The cost is R500 per person and includes a light lunch and refreshments. Terms and conditions: While refunds cannot be provided for cancellations, participants may transfer their registration to another individual.
