

Church Audio Training

Posted on March 16, 2022

A promotional poster for a church audio training event. The background is a dark blue, out-of-focus image of a church interior with people's hands raised in prayer. The text is overlaid in white and light blue. At the top, the word 'Training' is written in a large, white, cursive font. Below it, 'CHURCH AUDIO TRAINING' is written in a bold, light blue, sans-serif font. A horizontal line separates this from the date and time: 'APRIL 5' and '9AM - 4PM' in white, bold, sans-serif font. Below that, a light blue rounded rectangle contains the text 'JOIN JACO BEUKES' in bold white font, followed by the address '@ DWR, Block C, Unit 1 Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew, JHB' in smaller white font. A list of bullet points in white font is on the left side, and the 'DWR distribution' logo is on the right side. The logo consists of the letters 'DWR' in a large, white, serif font inside an oval, with the word 'distribution' in a smaller, white, sans-serif font below it.

DWR
distribution

DWR Distribution takes pleasure in inviting worship and technical teams to join us for Church Audio Training taking place on 5 April from 9 am to 4 pm at our offices in Johannesburg.

Presented by Jaco Beukes, the Church Audio Training Workshop will cover a range of topics including understanding signal flow and set up, gain structure and console fundamentals, common audio problems and how to resolve them, and on a practical level, listening and mixing exercises.

“We hope to attract delegates who are striving for excellence in everything they do,” said Jaco Beukes of DWR. “Having a better understanding of the ministry of sound helps everyone gain so much more in terms of what the worship team is doing and what is being preached. As sound technicians, we want to be able to reproduce that message correctly, be it the worship or the sermon. The more we understand the discipline of audio, the better we will be equipped to serve in our local Church.”

The nonrefundable fee to attend the workshop is R200 per person and includes a light lunch and refreshments.

Date: 5 April 2022

Time: 9am to 4pm

Cost: R200, nonrefundable, including a light lunch.

Venue: DWR Distribution, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.

RSVP: Bookings at: <https://forms.gle/huY7AiyhMptwZVni6>
