

Claire Beeson, Editor at Lighting&Sound International to attend Mediatech

“Do you ever talk to yourself? When and what do you say?” We asked Claire Beeson, the new Editor at Lighting&Sound International.

“Yes I do talk to myself quite regularly,” she answered. “It’s a great way to work things through or give yourself a pep talk from time to time. Also, it’s quite fun!”

Looking forward to meeting you Claire! We hope that you will have a wonderful time in South Africa. Thank you for always posting South African news on the LSI on Line website.
