

Congratulations MGG

17 November 2008

Christmas has come early for Mark Gaylard and the team MGG. MGG took ownership of 24 x Colorspot 700 E ATs, 24 x ColorWash 700 E ATs, a grandMA full size, a grandMA ultra-light and two NSPs.

Pictured is Themba Sikhonde and student Werner van Wyk (far right) collecting “parcels” that can only mean good things ahead for this rental company. Lending a hand and congratulating MGG on their purchase are DWR’s Robert Izzett, Cherine Viney, Bruce Riley, Nick Britz and Simon Ndlovu.
