

DiGiCo Advanced Training Course

The flyer for the Advanced DiGiCo Training Course features the DWR Distribution logo at the top. Below it is the DiGiCo logo. The main title is 'ADVANCED DIGICO TRAINING'. A small photo of Kyle Robson is shown next to the text 'PRESENTED BY KYLE ROBSON'. The flyer lists the date as 15 & 16 November, time as 9am - 5pm, cost as R1700 (incl. VAT, 100% 2 Days), and venue as DWR Distribution, Unit 1, Block C, Kinbus Industrial Office Park, 8 Zeel Road, Laserpark, Honeydew. It also lists topics: SD Range design and software, Theatre and broadcast applications, File converter and offline software, Networking, Clocking, Redundancy and Safety, Snapshots and macros, and Advance console operation. A note says 'Kindly supply your own Offline Editor installed on a laptop or PC'. At the bottom, it says 'IT'S ALL ABOUT THE People'.

IT'S ALL ABOUT THE People

With the DiGiCo network steadily growing in South Africa, users are invited to join Kyle Robson as he presents the Advanced DiGiCo Training Course to be hosted on 15 and 16 November at DWR Distribution in Laserpark, Honeydew.

Kyle will cover a range of topics and users will discover skills that will equip them to confidently delve into the software and capabilities of the DiGiCo Console. If you want to take your knowledge a step further, this is a course not to be missed. Kyle will focus on the SD Range design and software, theatre and broadcast applications, networking and clocking, snapshots and macros and redundancy and safety, to mention some of the content to be covered. As an experienced DiGiCo operator, Kyle will be able to answer any questions during the Q & A Session.

The course is R1 700 and includes lunch and refreshments. Should you attend, kindly supply your own Offline Editor installed on a laptop or PC.

We hope to see you there.

Kindly book on line at <https://dwrdistribution.co.za/register/digico-advanced-training-november-2018/>
