

DiGiCo Basic SD & S-Series Training in Johannesburg

Posted on February 1, 2024

Please note that delegates are required to attend Basic Training before advancing to the subsequent Intermediate training course provided by DWR.

DWR Distribution extends an invitation for your participation in a DiGiCo Basic SD and S-Series Training Session with Kyle Robson in Johannesburg on February 20 from 9am to 4pm. The session aims to equip delegates with a comprehensive understanding of the SD and S-Series range, empowering them to proficiently configure and operate the console at a foundational level. Please note that delegates are required to attend Basic Training before advancing to the subsequent Intermediate training course provided by DWR.

The training session will cover the following subjects:

- Worksurface Orientation
- Basic I/O Connections
- Input Channels
- Output Channels
- Master Screen Navigation

Delegates are required to supply their own Laptop or PC.

The cost is R250 per person and includes a light lunch and refreshments. *Please note that refunds are not available for courses. If your course registration is cancelled, at least 72 hours in advance, you'll receive a credit for the paid fees, usable for re-registration or rescheduling within one year from the initial course cancellation date. Not showing up without notice does not qualify for the rescheduling credit.*
