***An overview of DiGiCo Consoles with KLANG and Fourier Audio Integration***

Cape Town, don't miss out! DWR Distribution is delighted to welcome **Tristan Mazire** to South Africa for a comprehensive **DiGiCo Masterclass**, taking place on **17 June from 9 AM to 5 PM** at our office in Cape Town. With two decades of experience in **Live Sound, Post Production, and Recording**, Tristan will be sharing his valuable insights along with practical tips and tricks. Everyone is welcome to attend.

This full-day session will explore **DiGiCo consoles' advanced features**, showing how intelligent processing and seamless integration can elevate your mixing capabilities.

**What You'll Learn:**

- **System setup:** Learn how to configure a complete DiGiCo system, including the Optocore loop and audio racks for live applications.
- **External processing:** Discover how to incorporate plugins effectively into your mix — a must in today's live sound environment.
- **Hands-on training:** Get up to speed with the latest updates in **KLANG and Fourier Audio** integration on DiGiCo consoles to streamline your workflow.

**Program Highlights:**

- **Quantum vs SD consoles:** Key features comparison
- **Optocore run-through:** Setting up an Optocore system with consoles and multiple racks
- **SD-Rack menus:** A deep dive into rack functionality
- **Meet the Fourier Audio transform.engine:** Simplifying VST3 plugin use in live production
- **Transform.engine integration:** From plugin configuration to intuitive operation
- **KLANG Integration 2.0:** Accessible immersive IEM mixing on DiGiCo consoles
- **Live Q&A:** DiGiCo specialists will be available to answer your questions

The cost is R250 person and includes a light lunch and refreshments. *Terms and conditions: While refunds cannot be provided for cancellations, participants may transfer their registration to another individual.*

The training will be held at DWR Distribution, Unit 37B Platinum Junction, 4 School Street, Marconi Beam, Cape Town.
