DWR Distribution invites you to join Kyle Robson for a Basics DiGiCo SD-Series Training Session in Johannesburg on 16 May from 9 am to 4 pm. Delegates will be provided with an overview of the SD range and the knowledge to set up and operate the console at a basic level.

Kindly note that all DiGiCo courses will have a test that delegates will need to complete and pass

within a limited time period in order to advance to the next training session.

The DiGiCo SD Basic Training session will cover the following topics:

- Worksurface Orientation
- Basic I/O Connections
- Input Channels
- Output Channels
- Master Screen Navigation

Delegates are required to supply their own Laptop or PC with offline editor. Visit:
https://digico.biz/wp-content/uploads/2021/07/DiGiCo_SD12_V1455_Offline_Install_Package-1.zip

The cost is R250 per person (non-refundable) and includes a light lunch and refreshments.

The course will be held at DWR Distribution, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.
