DWR Distribution is delighted to announce a two day DiGiCo SD Training workshop to be hosted by Kyle Robson on 30 and 31 March (9 am to 4 pm) at our offices in Johannesburg.

The training course, designed for those who have a basic understanding of audio consoles, will provide delegates with an overview of the SD series and the necessary knowledge to set up and operate the console at a basic level. Delegates will learn about the console, racks and MADI systems.

The course will cover the following topics:

- Console Layout
- Connectivity, I/O and MADI
- Racks and Optocore Loops
- Resetting and configuring from scratch
- Patching
- Channel operations (such as Gain, EQ, Dynamics)
- Using Control Groups, Macros, Auxes and Matrix
- Utilising GEQs and Effects

Kindly supply your own Laptop or PC with offline editor. Visit:
