

A promotional banner for DiGiCo Training. It features a blue background with a light blue gradient. On the left, there is a logo consisting of four spheres connected by lines, followed by the text 'DiGiCo Training' in a large, bold, blue font. Below this, a paragraph of text describes the training session. To the right, there is a list of topics under the heading 'DiGiCo Topics:'. On the far right, there is an image of a DiGiCo S21 digital mixing console.

DiGiCo Training

Kyle Robson from DWR Distribution is hosting a DiGiCo Training session that will give you an overview of the new S21 digital mixing console and provide you with the basic information and skills required to set up and operate your console of choice.

DiGiCo Topics:

- SD series & S21 Console Overview
- Racks and Solutions
- Connections and Networking
- Recording and Waves
- Basic & Advanced Operation
- Q & A Session
- And much, much more...

Delegates are required to provide laptops with the offline editor

DiGiCo Training for Cape Town & Durban

Posted on July 6, 2017

A promotional banner for DiGiCo Training. On the left, the DiGiCo logo is shown in a stylized blue font. To its right, the word 'Training' is written in a large, blue, sans-serif font. Below this, a paragraph of text describes the training session. To the right of the text is a list of topics. On the far right is an image of a DiGiCo S21 digital mixing console. At the bottom, a blue bar contains a note about delegates providing laptops.

Delegates are required to provide laptops with the offline editor

DiGiCo is taking South Africa by storm, and with this in mind, Kyle Robson from DWR Distribution will be presenting training in Cape Town and in Durban during July.

The course aims to give users an overview of the new S21 digital mixing console and provide useful information and skills to better operate this console of choice.

The course will be hosted at DWR Cape Town on the 24 and 25 July and at DWR Durban on the 27 and 28 July from 9am to 5pm each day and the cost fee is R850.00. Delegates are required to provide laptops with the offline editor.

DiGiCo Topics Covered will include:

- SD series & S21 Console Overview
- Racks and Solutions
- Connections and Networking
- Recording and Waves

- Basic & Advanced Operation
- Q & A Session
- And much, much more...
