Learn from someone who eats, sleeps and breaths DiGiCo! Kyle Robson will present a DiGiCo Training Course on 4th October from 9 am to 5pm at DWR Distribution in Laserpark, Honeydew.

The course will kick off with an SD Series overview, and delegates can expect to learn about racks and solutions, connections and networking, recording and waves and both basic and advanced operation skills. A Q&A Session will allow delegates the opportunity to ask questions that will assist with the day to day running of their DiGiCo console.

The course is R850 and includes lunch and refreshments. Should you attend, kindly supply your own offline Editor installed on a laptop or PC.

We hope to see you there.

Kindly book on line at <https://dwrdistribution.co.za/register/digico-training-october-2018/>
