DWR's Ole Boinamo will be presenting a multilingual dot2 training course on 22nd and 23rd October 2018 at the DWR offices in Laserpark, Honeydew.

Understanding is that much easier when it's in your own language. Ole will be reaching out in various languages, so if you speak Zulu, Tswana, Sotho or Xhosa, the course may be very beneficial to you. Topics covered will include patching, user profiles, groups, presets and effects, chases, back-up, tracking and any information you may need to assist you in operating the console.

The cost to attend this two day course R1 700 per person – for catering purposes, please let us know if you have any dietary requirements. Kindly also remember to bring a valid ID.

Bookings can be made online at: <https://dwrdistribution.co.za/register/multilingual-dot2-training-october-2018/>
