Kindly supply your own dot2 console
and laptop for the dot2 3D Visualizer

dot2 users in Johannesburg and Cape Town are invited to join DWR Distribution for an intensive two-day training course presented by Jannie de Jager. Operators will be trained to become familiar with the functions of the dot2 lighting control console, the interface and the main features of the software and the operating philosophy. Join DWR in Johannesburg on 27 and 28 August, or in Cape Town on the 30 and 31 August, from 9am to 5pm.

The course will focus on setup, patching, views, groups, presets, effects and chases. Delegates are requested to supply their own dot2 console and laptop for the dot2 3D Visualizer. Kindly also remember to bring a valid ID as courses may provide CPD points.

The cost is R850 per person – for catering purposes, please let us know if you have any dietary requirements.

Bookings can be made online at <https://dwrdistribution.co.za/register/dot-2-training-august-2018/>
