## dot2 training at DWR

DWR Distribution's Olebogeng Boinamo takes pleasure in inviting operators to attend a dot2 training course in Johannesburg on 6 & 7 February 2020 from 9am to 5pm.

Become familiar with the functions of the dot2 lighting console, the interface and main features of the software and operating philosophy. The course will include setup, patching, views, groups, pre-sets, effects and chases.

Those attending should please supply their own dot2 console and laptop for the dot2 3D Visualizer. Kindly also remember to bring a valid ID as courses may provide CPD points.

The cost is R1,200 and includes a light lunch and refreshments. Bookings will be confirmed once payment has

been received. Regrettably, no refunds though you are welcome to send someone else in your place.
