Below the logo is a yellow 'RSVP' button. To the right of the button, the text 'DATES : 2 - 3 SEPTEMBER', 'COST : R | 700', and 'TIME : 9am - 5pm' is displayed in yellow. On the far right is a yellow smiley face emoji wearing black-rimmed glasses. At the bottom left, a small image of a dot2 console is visible.

You are invited to join DWR's Ole Boinamo for dot2 training to be hosted on 2nd and 3rd September from 9am to 5pm.

The dot2 is a powerful and easy to operate console. Ole will cover topics including patching, groups, presets, executors, chases, effects and tracking. Delegates are requested to bring their own dot2 console or dot2onPC Software, a laptop with dot2 3D, additional screen and valid ID.

Join us at DWR Distribution in Laserpark for the two-day session. The cost is R1 700 and includes lunch and refreshments. Please let us know if you have any dietary requirements.
