## dot2 training in Johannesburg

You are invited to discover all the features of MA Lighting dot2 lighting course at a practical two-day training workshop presented by Jaques Pretorius from 3 – 4 May, 9 am to 4 pm, at DWR Distribution, Johannesburg.

Become familiar with the functions of the dot2 lighting console, the interface and main features of the software and operating philosophy. The course will include setup, patching, views, groups, pre-sets, effects and chases as delegates discover the vast possibilities and configurations of this console.

Cost: R500 which includes a light lunch and refreshments.

Where: DWR Distribution, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.

What to bring: Those attending should please supply their own dot2 console and laptop for the dot2 3D Visualizer. Please download the dot2 on-PC software available for the session:
