KIMBULT INDUSTRIAL OFFICE PARK,
9 ZEISS ROAD, LASERPARK, HONEYDEW**

RSVP

MA dot2 Users are invited to join Gareth Chambers from DWR Distribution for dot2 on PC training on 19th March from 9am to 5pm.

The course will cover functions such as setup, patching, views, controlling fixtures, groups, presets, executors, timings, effects, cue lists and chases.

“This is the ideal course for beginners and anyone who has played around on the software,” said Gareth.

“Anyone who has the DMX King and is involved with small setups or small shows such as churches or schools is welcome. It’s a real crash course on how to use the software, which is really easy and user friendly.”

It is important for delegates attending to bring along their PC with dot2 software uploaded.

Bookings can be made on line. Visit: <https://dwrdistribution.co.za/register/dot2-on-pc-19-march-2018/>
