DWR Distribution to host Exhibition, 29 – 30 July!

Posted on July 18, 2024

Robert Izzett, Duncan Riley and Bruce Riley look forward to welcoming you to the DWR Expo to be held on 29 and 30 July 2024.

DWR Distribution, in collaboration with our international suppliers, is excited to host an exhibition on 29 and 30 July from 10 am to 5 pm at our offices in Johannesburg. Each supplier will have their own stand showcasing a variety of equipment and solutions including lighting, audio, LED screens, projectors, pro audio equipment and safety gear. Additionally, there will be short workshops throughout the event.

“Since 2019, there haven’t been any exhibitions in South Africa specifically for the live events industry. So, we decided to invite our suppliers to the country to set up exhibition stands and host demonstrations,” commented Duncan Riley of DWR. “This is a fantastic opportunity to check out the latest equipment, watch live demos, and connect with others with similar interests.”

Visitors can expect to engage with representatives from leading companies such as Absen, Barco, Chainmaster, DiGiCo, Doughty, DSpecialists (Harvey), Fenix Stage, L-Acoustics, Layher, MA Lighting, Mondiale Technology, Neutrik, Prolyte, Quest Engineering, RAM Mountaineering, RCF, Robe Lighting, Sennheiser, Sharp NEC, Special Industrial Supplies, Theatrixx and Visual Productions.
