

DWR hosts training for Ghana delegates

Posted on August 19, 2025

After months of planning, DWR Distribution is thrilled to welcome lamadinkra, a company based in Ghana, to South Africa for private training taking place this week!

DWR hosts training for Ghana delegates

With expertise spanning audio-visual design, conferencing, interactive media, and system integration, lamadinkra has partnered with clients across many industries, delivering outstanding projects in the digital AV and corporate staging space in Ghana.

Their four-day training journey at DWR includes Vectorworks training, rigging, and lighting fundamentals presented by Jade Manicom and Jaques Pretorius with the aim to grow skills, share knowledge, and strengthen connections.

Thank you for being here!
