

DWR at Mediatech 2017

Posted on May 26, 2017

With Mediatech taking place from 19 to 21 July, DWR Distribution is delighted to once again be part of this exciting exhibition. Mediatech is a biennial advanced media and entertainment technology trade show held in Johannesburg.

Once again visitors can look forward to meeting up with DWR's international suppliers who will also be introduced on our social media platform prior to the show. As always there will be new products to look forward to, and the most important thing, to catch up with friends in the industry.

Mediatech showcases new technologies and services from industry leaders in AV system integration and communications; live entertainment technology; television and broadcast; animation and film; studio and production, DJ and pro-audio equipment. Mediatech pays special attention to the needs, shifts and trends in each African country, and DWR looks forward to meeting industry players from across our borders.

Registration: Register for FREE before Friday 14 July and avoid paying the R100 onsite registration fee. Visit: <https://event-rsvp.com/MediatechAfrica2017/>
