

DWR supports young Obed

DWR Distribution is proud to take Obed's hand as he starts his high school career at Krugersdorp High School.

"This is the best part of my job, being able to give back to others; I love it," said Duncan Riley of DWR. Thank you to Craig Rowe who assisted DWR with the process.

Duncan Riley attended KHS over twenty years ago, and with a bit of nostalgia, it has been good to revisit the school and see the old Boarding House where Obed will also be staying.

The Boarding House staff are inspiring and this is evident when meeting the confident and gentlemanly students at the school.

Obed with his mom, Betty, and his friend, Luc Riley.

We trust that Obed will do well and we can't wait to see how he grows into the young man he was destined to be. The team at DWR are proud of you Obed.
