

DWR Training Calendar Planner 2024

Posted on January 29, 2024

Please find DWR's Training Calendar Planner for 2024. There are still a few other exciting events we are working on but we have to leave some room for the element of surprise don't we? DWR will slowly start sharing invitations in the next week or so, which will have all the information and online booking links. Please remember that dates are subject to change. Have a good week!
