

Event Industry Connectors

Posted on May 11, 2021

Phase 3 are proud suppliers of event industry connectors to some of the events industry's biggest companies. Showsafe are manufactured for stage lighting, rigging, audio visual stage equipment and stadium power distribution. Phase 3 helps connect event power in the safest and most reliable way. Circular connectors have been used at the World Cup, Glastonbury, the Olympics and many more global showcases.

For more information, visit <https://p3connectors.com>. DWR Distribution are the suppliers in South Africa and will be glad to assist. E-mail: sales@staging.dwrdistribution.co.za or call us at +27 (0) 11 794 5023
