

## Final push to help Landy

Posted on July 4, 2019

Landy Yeatman and Gareth Chambers from Pristine Moods Productions.

DWR Distribution and the SOS are asking you to help Landy Yeatman from Pristine Moods Productions.

Landy (44) is a single mom with two daughters. While Landy has been fighting Stage 3B Breast cancer and the medical aid has covered all treatments up until now, she has now exceeded her medical aid limit and there is a large number of outstanding bills to pay.

The SOS has contributed R25 000 towards her fundraising campaign, but Landy will need further assistance.

Any donation, both big or small, will make a difference. Please visit her BackaBuddy page to help:
