

Gearhouse delivery!

Posted on September 17, 2013

17 September 2013

Duncan Riley (DWR)

and Stuart Andrews (Gearhouse South Africa) Gearhouse South Africa have invested in new lighting equipment comprising of 150 moving head fixtures and two new consoles.

The purchase was made in order for Gearhouse to fulfil their upcoming workload. As they have an initiative of going green, they opted for LED fixtures.

On

behalf of DWR Distribution, a big thank you to Gearhouse for the ongoing support.

Gearhouse new purchase comprised of:

54x Robin Pointes

36 x Robin 600 RGBW

24 x Robin DLX RGBW LED Profile

24 x Robin DLF RGBW Fresnel

12 x Robin DLS RGBW LED Profile Framing Shutters

2 x grandMA 2 full size

2 x grandMA 2 NPU 8 out

32 x Philips SL Nitro 510
