distribution

Join Jaques Pretorius as he presents a grandMA2 Advanced User Training course on 16 and 17 February from 9 am to 4 pm at DWR Distribution, Johannesburg.

The session will take you through advanced features of the console and teach you complex techniques allowing you to take your programming to the next level. The aim is to enable delegates to confidently operate a grandMA2 console for a mid to large-scale production while using advanced techniques including building macros, timecode programming, advanced effects, XYZ programming, moving data between shows, and building custom fixtures.

The content includes:

- Introduction to Macros
- DMX Sheet
- Files and Folders
- Paperwork
- Sheet Options
- Cue List Management
- Executor Options
- Store Options
- More Macros
- Advanced Preset options
- Timecode
- Even More Macros
- X and Y MA Tricks
- IF Key
- Bitmap Effects
- Fixture Building
- Attribute and Encoder Grouping
- Preset References
- Changing fixtures
- Advanced Effects
- XYZ Programming
- Partial Show Read

The cost for the two day course is R600 per person. Delegates who complete the course will be refunded. Cancellations should please be made 48 hours in advance to secure your refund. A light lunch will be served.

The training will be held at the DWR offices, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew, JHB.

Delegates are requested to supply their own laptops downloaded with the latest MA2 software. Please see link to download on-PC software:
