The grandMA2 Basic Training course is specially created for beginners with the aim to make operators familiar with the basic functions of the grandMA control panel, the panel interface, and the main features of the software and operating philosophy. The course will be presented by Jaques Pretorius and will be held on 15 February from 9 am to 4 pm at DWR Distribution,

Johannesburg.

The content includes:

- Introduction
- Hardware
- Console Layout and Connections
- MA Philosophy
- Software
- Show Files
- Console Setup
- User Profiles
- Fixture schedule
- Screen Setup
- Simple programming
- Using Presets and Sequences
- Chases, Tricks and Options
- Effects
- Masks, Blind, Freeze and Preview
- Networking

The cost is R300 per person. Delegates who complete the course will be refunded. Cancellations should please be made 48 hours in advance to secure your refund. A light lunch will be served.

The course will be held at the DWR offices, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew, JHB.

Delegates are requested to supply their own laptops downloaded with the latest MA2 software.

Please see link for downloading of on-PC software.
