Cost: R400

DWR
distribution

Founded on the legacy of the previous grandMA consoles, the grandMA3 represents a radical re-think of what's possible from a lighting control platform. Join Jaques Pretorius as he presents an intensive two-day introductory workshop from 20 - 21 April, 9 am to 4 pm at DWR Distribution, Johannesburg.

The new grandMA3 system architecture incorporates new fixtures, feature and effects-handling at its very heart. The system features ground-breaking concepts from top industry visionaries, presented within a refined user interface, and is designed to make practical tasks more intuitive.

Jaques will take you for a drive behind the desk and cover a range of topics including:

New Show and Set up

First Patch

First View Set up

Control Simple Fixtures

3D Fixture Set up

Groups, Appearances and Scribbles

Macros

Store Cues and Use Executors

Add Moving Lights

Presets

Phasers

Sequence with Multiple Cues

Network and How to Output DMX

Delegates are requested to bring a laptop to the training course. Please download the MA3 on-PC software available for MAC or Windows for the session:

<https://www.malighting.com/downloads/products/grandma3>

<https://www.malighting.com/downloads/>

The cost per delegate is R400, nonrefundable, per person and includes a light lunch and refreshments.

Venue: DWR Distribution, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.

RSVP: Bookings at <https://forms.gle/dsAvTAQMJHTBfeac7>
