

grandMA3 User Training, Cape Town

Posted on February 5, 2026

A three-day grandMA3 User Training workshop, presented by Jaques Pretorius, will be held at

DWR Distribution, Cape Town, from 3 to 5 March from 9 am to 5 pm daily.

This training course aims to familiarize the operator with the basic functions of the grandMA3 software and lighting consoles and the operating philosophy.

The content consists of the following:

Basics

- Software Philosophy
- Hardware and Connections
- Setup
- Patch
- Views
- Integrated 3D visualization

Simple Programming

- Groups
- Selecting and operating fixtures
- Programmer concept

Presets and Sequences

- Preset concept
- Sequences and tracking
- Saving and editing moods
- Recipe concept

Phaser

- Basics Phaser
- Creating and editing Phasers

Further Functions and Settings

- Programming tools
- Network fundamentals

Delegates are requested to bring a laptop to the training course. Delegates are also welcome to bring their consoles along to the training. Please download the MA3 on-PC software available for MAC or Windows for the session:
